

Riverside Brookfield Basketball

3rd & 4th Grade Sunday Skills Clinic

Our Mission

As a staff, our goal is to develop the fundamental skills on the court. We are looking to establish good relationships with all the kids to help them feel comfortable and confident throughout the sessions, thus fostering their skill development even further. In addition to skill sessions, we are looking to **possibly** prepare the 3rd graders to play in a couple one-day tournaments toward the end January and February.

Skill Development

All sessions will be run by our High School coaching staff. The basic building blocks (shooting, ball-handling, passing) will be covered extensively each session. Simple skill-moves will be taught briefly as well, but our main focus is to develop the fundamentals. Our hope is to give them plenty of simple drills they can do not only with us on Sunday's but on their own in a gym, at a park, or their own driveway by themselves.

Pricing & Dates/times

All sessions will be held @ RB (usually in the East Gym). All sessions are from 12-1pm. The cost is \$125 per child for the 10 sessions.

All Sundays--(10/22), (10/29), (11/5), (11/12), (12/3), (12/10), (12/17), (1/7), (1/21), (1/28)

How to Register

If not on the 4th Grade Jr. Bulldog team, please register at www.riversidebrookfieldbasketball.com

If currently on the 4th Grade team and interested, please indicate YES on the program registration form listed on www.riversidebrookfieldbasketball.com
